

Chi Eta Phi Education Benefits

Chi Eta Phi has teamed up with Chamberlain University to provide you with access to high-quality nursing and public health education programs at a partner tuition rate.

Chi Eta Phi recognizes that Chamberlain's up-to-date, relevant curriculum provides information and insight that even the most seasoned practitioner can apply to their current and future roles. And, with 100% online coursework, you can continue to work your normal schedule while still having time left for you and your family.

So Chi Eta Phi is connecting you to the best resources for investing in your future as a healthcare professional through Chamberlain University. Take advantage of all the benefits provided, including the partner tuition rates, today and start earning an advanced degree from Chamberlain to help take your career to the next level.

Benefits of Chi Eta Phi's collaboration with Chamberlain:

- You are eligible for a partner tuition rate for the following programs:
 - RN to BSN Online Option
 - Doctor of Nursing Practice Degree Program
 - Master of Science in Nursing Degree Program (FNP, Executive, Informatics, Healthcare Policy and Educator. FNP Specialty track not offered in Louisiana)
 - Accelerated MSN Option and Clinical Nurse Leadership
 - Master of Public Health
 - Master of Social Work
- No application fee
- Complimentary transcript request and evaluation service upon application

Earn your degree online - on your time - while continuing to work.
